

### CANCER SUPPORT

2<sup>nd</sup> Indo Oncology Summit 19 taking a great pride to support and guide cancer patients. Cancer is a serious frightening killer in recent days. Unavailability of proper advice, Lack of Funds & Lack of early detection will be the major issues in regards to Cancer.

### NOW SPIN OF QUESTIONS IN YOUR MIND WILL BE

Is this really happening to me?  
Why?  
Will I pull through?  
What if I die?

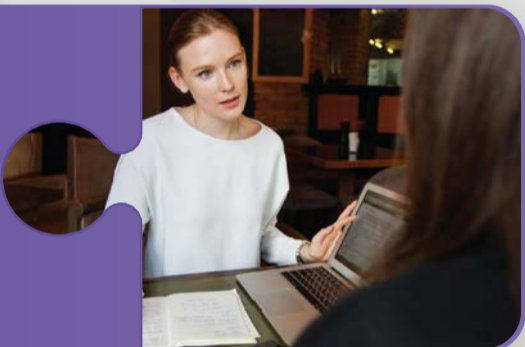

### WHY FEAR?

Fear is a natural response when you are faced with an unknown and serious illness. In Cancer we call it as Cancer phobia which is characterized by fear of developing Cancer. This fear will prevent you from living normal life. And it is very normal to feel afraid when you are sick.

### DISCUSS WITH OUR ONCOLOGISTS

Everyone experiences the illness of Cancer in his or her own way. Due to the latest treatment methods, recovering from the disease is increasingly possible. 2<sup>nd</sup> Indo Oncology Summit 19 is providing a vast session for patients and Doctors to interact with each other.

### NOT ONLY PATIENT BUT ALSO YOUR LOVED ONE'S

It affects not only yourself as a cancer sufferer but also your family and others close to you. You and your loved ones need plenty of information and support.
